

Product specifications

Valid from January 1st, 2018

1. Manufacturer:	Taste Cocoa Ghana Ltd.
2. Seller:	Cocoa Switzerland Gmbh, Heinrichstrasse 267A, CH-8005 Zürich
3. Brand name:	CocoA
4. Product name:	Pasteurized cocoa pulp juice
5. Fruit juice content:	100%
6. Average energy and nutritional value per 100g:	
• Energy value	299kJ / 70kcal
• Water content	82.0 g
• Carbohydrates	17.2 g
○ Sugar	14.3 g
▪ Fructose	5.6 g
▪ Glucose	4.7 g
▪ Sucrose	4.0 g
• Protein	0.4 g
• Minerals	0.4 g
• Sodium	0.3 mg
• Total fat	not quantifiable (less than LOQ)
7. Sensors:	
• Color:	ivory – safron
• Look:	murky
• Smell:	fruity
• Taste:	sweet, sour, litchi
8. Storage conditions:	cool (<18°C) and dry Protection from direct sunlight
9. Durability:	
• Batch code	Down each bottle / box
• Minimum shelf life	
○ From the date of bottling, unopened:	5 months
○ Open, cool stored:	3-4 days
10. Trading units:	0.05l bottles 3.0l bag in box

11. General information:

The juice is cold-pressed, pasteurized in the bottle, i.e. on 80+°C approximately for 60s seconds heated and sealed, without colorants and chemical preservatives. Therefore, and due to its low pH the juice is microbiologically germ-free and meets the requirements of the regulation of the EDI over hygiene when handling food.
